

Renewing Christian Disciples, Strengthening Local Churches

The Emmaus GIFT Fund

What is the Emmaus GIFT Fund?

A love offering for emerging Emmaus Ministries communities around the world.

The Emmaus GIFT Fund provides support to emerging communities around the world and to their regional representatives. Currently, there are six emerging communities: Kenya, Peru, Chile, Argentina, Poland, and Bulgaria.

How you can partner

• Monetary Gifts

It takes three to five years to develop a community outside the United States, and it typically costs **\$80,000**.

- **Pilgrims:** \$20,000 for men and women to be sent on a Walk to another community, oftentimes in another country, and to be trained to serve on the leadership team for their emerging community.
- **Teams:** \$60,000 for Emmaus teams to go host two Walks per year, one for men and one for women, for the emerging community for three years.

• The Gift of Service

We need people to serve on teams that host Walks for emerging communities. To find out more, contact the Rev. Stéphane Brooks at sbrooks@upperroom.org.

• Individual and/or Community Partnership

You can partner with us as an individual or as a community. We welcome both!

Your dollars at work

Marcelo Mondini, a Methodist minister in Argentina, traveled to Bolivia to experience the Walk to Emmaus. He served on the Argentinian core team for their first Walks in 2019 and hopes their upcoming Walks in 2021 and 2022 "will be a means of reaffirmation of faith and commitment to Jesus Christ."

Your gift helps to support people like Marcelo and his regional representative start Emmaus in their area.

Can we count on you—to give as an individual and as a community?
